

NORTHERN LIGHTS SCHOOL DIVISION #113

Parent/Guardian Network/Internet Student User Agreement

In order to use school computer network resources, students under the age of 18 must obtain parental permission. The activities listed below are not permitted:

- Sending, creating, saving or displaying offensive messages or pictures.
- Using obscene language.
- Giving personal information when using the system(s). This includes complete name, address, phone number and identifiable photo without permission of a teacher and parent(s)/guardian(s).
- Damaging computers, computer hardware or software, any other systems and/or networks.
- Chat rooms, e-mail and instant message services are not permitted on school networks unless authorized.
- Engaging in practices that threaten the computer network (e.g. loading files that may introduce a virus into the system).
- Violating copyright laws.
- Sending or displaying offensive or pornographic pictures and/or messages.
- Harassing, insulting or attacking others.
- Using other people's passwords.
- Trespassing in other people's folders, work or files.
- Wasting limited resources.
- Employing the system for commercial purposes, financial gain or fraud.

Violation of any of the above provisions may result in loss of access as well as other disciplinary or legal action.

Parent/Guardian Agreement

I understand and agree to the statements, conditions and rules outlined in this document. I grant permission for my child to access the school Internet and e-mail systems. I understand these permissions are granted for an indefinite time period. Although I understand that Northern Lights School Division #113 has taken precautions to avoid student access to controversial material, I recognized that it is impossible to restrict access to all such materials and I will not hold it responsible for materials acquired on the network.
