- Learn what's happening at Pre-Cam via
 - *the principal report
 - *the community school report
- Attend monthly meetings
- Volunteer at school events
 - *Family Literacy Night
 - *other requests made by school

Goals of the SCC

- To foster channels of communication between parents, students, teachers, and community members through active involvement in discussions influencing the learning program of Pre-Cam Community School.
- To provide a forum at which ideas related to the education process can be presented, information can be shared, and the Community School Council members can provide feedback or initiate plans of actions relating to:
 - school policy
 - school practices
 - school philosophy
 - curriculum offerings and community involvement.
