Dear Parents,

Pre-Cam Community School has a nutrition program. The program consists of all children receiving a snack in the morning on each school day. The snacks consist of fruits, vegetables, grains, and dairy.

*In order for your child to receive a snack, this permission form must be signed and returned to the school. This letter will be held on file, so if your child should develop an allergy throughout the year, please contact me immediately.*

Please list any food allergies your child has and their reaction to the food when eaten.

I, \_\_\_\_\_ give permission for \_\_\_\_\_ to receive a snack in the Pre-Cam Community School snack program.
